Annual General Meeting, March 23<sup>rd</sup> 2021 in Beijing

Dear DCCC,

Please accept my candidacy for the Board of Directors at the next Annual General Meeting.

In the last 20 years I have navigated the political landscape of large international organizations. I have held various leadership positions in business units, regional level and HQ across the financial sector, automotive manufacturing and renewable energy.

My background is Finance and my approach is performance and result driven. I have always worked closely with Sales providing sparring and solution finding to optimize volume and profit.

In my current role as Chief Financial Officer for Vestas' regional operation in China I have access to key stakeholders such as local authorities, Danish authorities, SOEs etc. Vestas is a member of the European Union Chamber of Commerce in China, where I am part of the CFO Roundtable.

Should I get the chance it would be a privilege to contribute in looking after the interests of the Chamber members by serving on the DCCC Board.

Sincerely yours,

Anders Gustav Marcher

Vice President & CFO, Vestas China
